

## terraced house for sale Tormos, Marina Alta

Complete building with magnificent business and with a privileged location for having parking very close and being at the entrance of the village. The Bar / restaurant on the ground floor has a capacity for more than 100 people inside and can accommodate more people on the outdoor terrace. This business has a large dining room, bar counter, toilets for both sexes, industrial kitchen with all stainless steel appliances (cold rooms, ovens, dishwashers, storage, etc...), several storerooms and forklift installation. A separate entrance leads to the different levels where we can find two spacious flats under construction with 3 double bedrooms, bathrooms, living / dining room, outside balcony and terraces with wonderful views to the valley. On the top level we can build a third flat under roof with access to a large outdoor terrace. This is a fantastic opportunity to run a working business and accommodate the many tourists and cyclists that frequent the area, whilst enjoying the tranquillity of the valley and its views.
