With independent access, this level can form part of the main residence or operate as separate guest accommodation. Underfloor heating and cooling ensure year-round comfort throughout.~~The central courtyard forms the heart of the estate, accessed through antique oak doors and a bell arch with bronze bell. Covered arcades surround the courtyard, framing a three-tier marble fountain at its centre. Library corners, leather seating and large dining tables create an inviting setting for gatherings, reflection and communal meals.~~Guest accommodation is arranged around the courtyard. Villa Romana offers three bedrooms, a lounge with wood-burning stove, fitted kitchen, massage room, meditation or yoga space and a private terrace overlooking the courtyard and countryside. The Miro, Dali and Goya suites are located above the communal lounge and art gallery, each providing double bedrooms, private bathrooms and terrace access. exhibitions.~~The landscaped grounds include a sculpture garden, shaded seating areas and a blue glass-tiled swimming pool with shallow section and waterfall.
