

villa for sale Algorfa, Baix Segura

The elegant three-bedroom townhouses offer the highest comfort in a modern two-storey design. Ground floor units feature a private garden, while the penthouses provide solariums accessible from the living room, perfect for enjoying the natural surroundings. The stylish and functional kitchens are equipped with top-quality materials, highlighting an open-plan kitchen that promotes a welcoming and friendly atmosphere.~~The bedrooms come with built-in wardrobes, optimising storage space, and the fully equipped bathrooms offer an elevated level of comfort, including underfloor heating. Air conditioning, installed throughout the home, ensures a comfortable environment all year round.~~The outdoor areas include communal gardens that enrich the landscape with a variety of plants and a large pool, perfect for making the most of Mediterranean life. The properties also include private parking and a storage room, offering a unique combination of exclusivity and tranquillity.~~The modern single-floor villas are distinguished by their three bedrooms with built-in wardrobes and a walk-in closet in the master bedroom. The two bathrooms feature underfloor heating, ensuring optimal comfort. The open-plan kitchen integrates with the living room, creating a cosy space for family life. There is also the option to include a basement for additional uses.~~The living room extends into a garden that combines a terrace with a pergola and a private pool, naturally blending with the surroundings. This contemporary design is ideal for those seeking an exclusive space in the heart of the Mediterranean.~~The two-storey townhouses efficiently optimise space. The ground floor has a bright living room connected directly to the dining area and an open kitchen equipped with an island. From this area, one can access a private garden with a pool. Additionally, this floor has two bedrooms and a full bathroom.~~On the upper floor, the master bedroom features an en-suite bathroom, panoramic views, and access to a solarium. Some options include a spacious basement, providing versatility to the owners.~~The villas, with open spaces and a private pool, are designed to offer maximum comfort on a single level. With three bedrooms, built-in wardrobes, and a walk-in closet in the master bedroom, along with bathrooms equipped with underfloor heating, these homes meet the needs of even the most demanding residents. The open-plan kitchen and living room harmoniously connect, including an additional laundry area.~~Direct access from the living room to the terrace with a pergola and the landscaped area with a private pool invites relaxation and enjoyment of the Mediterranean lifestyle. A pergola positioned at the entrance provides parking space, completing the design of these exclusive homes, ideal for those who value tranquillity, style, and comfort.
