

## villa for sale Altea, Marina Baixa

They say happiness is found along the journey, not at the destination, but as with every rule, there's always an exception—and this luxury villa in the Sierra de Altea is one of them. Unlike any other, here you can enjoy the journey with its landscapes and nature, until you reach the destination: a home where prosperity can be found in capital letters.~~Because happiness is sharing with your loved ones in this newly built minimalist home with stunning sea views, equipped with the finest quality materials and perfect design. A spacious 145-square-meter terrace awaits you, filled with light streaming through the large windows and the sea breeze rising from the mountain.~~Happiness is privilege, and what greater privilege than preparing the best recipes in its open kitchen, facing the bright dining room with a central island; having breakfast under the sun on the porch; or watching the house turn pink as the sun sets while enjoying time with friends in the games area.~~Happiness is being able to share without sacrificing privacy, and what better way than having four bedrooms, with the master bedroom facing the sea, access to a private terrace, an en-suite bathroom, and a walk-in closet.~~Happiness is having everything within reach, with a property equipped with an elevator, security system, underfloor heating, air conditioning, technical lighting, and landscaped areas.~~Ultimately, happiness is found in well-being, and what greater well-being than having three open spaces flooded with Mediterranean light, a spacious terrace, and a pool with an infinity edge to ensure you never lose sight of the sea, not even for a moment.
