

## villa for sale Altea, Marina Baixa

Villa Plenum is projected on a plot with spectacular sea views in the exclusive Azure Altea Homes 2 community, which houses large luxury villas. Its location in the Sierra de Altea, one of the most sought-after areas of the North Costa Blanca, further enhances its appeal. A villa that encompasses design, efficiency and quality. It has a distribution designed to make the most of the capacity of the land and enhance the enjoyment of its sea views from its rooms. It is accessed through the upper floor, where we enter the hall, connected to the garage for two vehicles. Through the stairs or the elevator we go down to the middle floor, where the main bedroom and two additional bedrooms are located. The master bedroom has an en-suite bathroom, dressing room and access to a private terrace. The other two bedrooms also each have their own bathroom en suite, large wardrobes and share a terrace. The day areas are located on the ground floor, an open and bright space: a kitchen with a central island connected to one of the porches and an outdoor terrace, where the endless pool will take us to the sea without leaving home. A spacious living room, with large windows and access to a second porch and the main terrace of the house, is one of the jewels of these villas. On this floor there is also the laundry room, an interior and an exterior courtesy toilet, as well as access to the elevator that connects us with the entire house. The exterior spaces take on a special relevance in this property, since its wonderful views and the Mediterranean climate invite us to live outside. Various terraces, porches and garden areas complete the design of this sensational villa in Altea.
