## **villa for sale Asterrika, Lea-Artibai**

bulous detached house with SEA VIEWS.

Quiet enclave, place with discretion and tranquility, but located in a rural area, and neighbors adjacent to the property.

Booming place, with new single-family constructions around.

It is located just 15 minutes from Lekeitio and 7km from Arrigorri beach in Ondarroa.

There are different accesses to bathing and/or fishing areas just two kilometers from the house.

The construction dates back to 2008.

Large, very bright spaces.

33m2 porch facing south.

CLIMALIT double-glazed windows, made of wood, with exterior aluminum for better conservation.

Elondo flooring throughout the house except bathrooms, garage and porch.

Oak wood kitchen on the peninsula and Silestone countertop.

The living room has two huge tilt-parallel windows. Some face the porch, and the others face the garden, with the sea in the background.

It also has a fireplace which heats the entire house when needed.

The pictures say everything.
