

villa for sale Asterrika, Lea-Artibai

Fabulous single-family home with SEA VIEWS. Quiet enclave, offering discretion and tranquility, yet located in a rural area with neighboring properties bordering the house. The area is up-and-coming, with new single-family homes being built nearby. Located just 15 minutes from Lekeitio and 7 km from Arrigorri Beach in Ondarroa. There are several access points to swimming and fishing areas just two kilometers from the house. The property was built in 2008. Spacious, bright interiors. 33m² porch facing south. Double-glazed CLIMALIT windows, made of wood with aluminum exterior for better durability. Elondo wood flooring throughout the house, except in the bathrooms, garage, and porch. Kitchen with oak cabinetry, peninsula layout, and Silestone countertop. Doors lacquered in off-white. The living room features two large tilt-and-turn windows—one set opens onto the porch, the other onto the garden, with the sea as a backdrop. It also has a fireplace that can heat the entire house when needed. The photos speak for themselves.
