

## villa for sale Begur, Baix Empordà

Property on the seafront, in Cala de Sa Tuna (Begur), a small cove that preserves its old fishermen's houses, with a pedestrian square and several bars and restaurants.

Exceptional location, an exclusive product in the area due to its direct access to the beach and the impressive views of the sea and the coast. Protected situation, a few meters from the coastal path.

Upon entering the apartment we find the hall-distributor, with a wooden ceiling, which leads to the living room with fireplace and a large terrace-porch, with stunning views of the beach, kitchen semi-open to the dining room with breakfast bar and sliding doors.

The entire apartment is on one level, three bedrooms with exterior windows, and a fourth small room set up as a bedroom, all with fitted wardrobes. Two bathrooms with shower / screen and a small storage room for the washing machine.

Apartment with character, large floor-to-ceiling windows that lead to the terrace, with an electric shutter that works with a remote control, and a large side window that gives the house full light.

Also in summer, in this cove there is a bus service to go up and down to the town.
