villa for sale Benitachell, Marina Alta

Pure Design is a contemporary style villa, a pure and elegant design, with a layout so the sea and the light of the Mediterranean invades your home. Open day areas where the kitchen is joined to the living/dining room creating an adjacent area separated by a central island, an amazing area to enjoy your breakfast or a light lunch without having to miss the sea views. The living/dining room then continues on to the porch and the pool terrace, creating a unique space, as the glass sliding door that separates them slides all to one side, joining the inside with the outside.~~This villa has three bedrooms and two bathrooms. The main bedroom is very light, with an en-suite bathroom, walk-in-closet and direct access to the main terrace of the property, where you can find an endless swimming pool.~~Some of the Pure Design villas have a basement, which would allow you to extend your home to four bedrooms or perhaps create a leisure area, a gym there are endless possibilities. All the villas include the garden and a covered parking.~~A modern project, with style and built with qualities worthy of the design that give us a unique opportunity to live in the Residential Resort Cumbre del Sol.
