

villa for sale Campo-Mijas, Costa Del Sol Occidental

Discover an exclusive project of new build villas with sea views in La Cala de Mijas, where architectural design blends harmoniously with nature. Inspired by the traditional silhouette of a house, these villas have been created with evolved geometric lines that dialogue with the surrounding vegetation, creating a unique environment on the Costa del Sol. With built areas of 197 m² and private plots, these 3 and 4 bedroom villas offer a minimalist design that prioritises elegance and purity. Located just minutes from the beaches of the Costa del Sol and close to renowned golf courses, these villas are the perfect retreat for those seeking luxury and tranquillity.~~OUTDOOR AREAS~~The villas stand out for their innovative architectural design, which breaks with the traditional silhouette and creates a unique skyline on the Costa del Sol. The exteriors, designed under the philosophy of "Less is more", feature pure and elegant lines that integrate perfectly with the natural surroundings. The use of materials such as natural wood in selected areas reinforces this connection with nature, adding a touch of uniqueness and sophistication to the project. The spacious 66 m² terraces allow you to enjoy the Mediterranean climate and panoramic sea views. Each villa includes a private garden and swimming pool, offering a personal oasis for outdoor relaxation.~~INDOOR AREAS~~The interior of the villas has been meticulously designed to maximise space and natural light, creating an atmosphere of luxury and comfort. With a minimalist design, the open spaces of the living area connect seamlessly with the outdoor areas, allowing a natural flow between indoors and outdoors. The staircase, conceived as a sculptural piece, adds an artistic touch to the home, turning the living room into an exclusive art gallery. The bedrooms, all of which are doubles, are designed for maximum comfort, with high quality finishes and breathtaking views. In addition, the villas have a basement that can be customised according to the owner`s needs.
