THE HOUSE OF YOUR DREAMS

LOOKING FOR PASSION FOR DETAILS? If so, this property has attitude and a soul of comfort. You go through the entrance and you already feel at home (YOUR HOUSE), where each corner is designed with coherence, continuous storage, hidden spaces that go unnoticed, combination of textures in noble woods that run through the entire house in an endless paneling of organic lines, unique carpentry work of extreme difficulty, complexity and quality.

YOUR HOUSE, in a haven of peace, all services nearby, in an urban center that gives you security. In the heart of a town surrounded by forests and orange orchards, five minutes from the best golf course in Valencia (La Galiana Golf), multiple hiking trails from the front door, 20 minutes from the beach and 30 minutes from the great city of Valencia.

LA CASA GECOHOME, inspired by Arab riads, where, as in them, its exterior is discreet and goes completely unnoticed, leaving the comfort and luxury of an exceptional stay inside.

An elevator powered by solar energy (Ottis), runs through its five heights, making all floors, including the garden roof, practicable for people with reduced mobility.

CONCLUSIONS, just to tell you that all these spaces are in a building between basement party walls and five floors, where comfort and luxury housing are the norm. We are waiting for you with the hope of handing over the keys so that you can begin to enjoy a unique experience, out of the spotlight of the big tourist cities, in a discreet and quiet place, but at the same time magnificently connected and close.
