

villa for sale Crevillent, Baix Vinalopó

Detached house, located on a 2,300 square meter plot and with almost 400 m² of built area. The house has two living rooms, three bedrooms, two bathrooms, a fully equipped kitchen and barbecue, as well as a wardrobe and an 80 m² annex used as a storage room, all finished to match the main house. The plot includes a renovated swimming pool (10x5 m) with new motors.

Access to the property is through two automatic gates. There is a covered garage area, garden, and a terrace prepared for enjoying the outdoor space.

The area is very close to the city of Elche, next to the rural district of Matola, where you can find services such as supermarkets, a pharmacy, workshops, and restaurants.

A great opportunity to enjoy a high quality of life in the land of sun and mild winters. There are neighbors living all year round.

Much better to visit in person.

The house is part of a large estate shared with 5 other independent villas (not a residential complex). Within this estate, there is a tennis court and a dirt field for the shared use of all neighbors.

We look forward to seeing you.
