Finestrat is a picturesque village on the Costa Blanca, situated between the mountains and the coast, close to Benidorm. The village is known for its charming, narrow streets with colourful houses and beautiful views of the iconic Puig Campana mountain, which is popular with hikers and nature lovers. Although the village centre is located a little higher up in the mountains, Finestrat also has its own beach, Cala de Finestrat, a quiet bay with fine sand and clear water. With its combination of coast, nature and an authentic Spanish village atmosphere, Finestrat attracts visitors who are looking for both relaxation and adventure.
