

villa for sale Finestrat, Marina Baixa

This villa undoubtedly offers the best value for money in Finestrat right now.~~The superb layout of the main floor, combined with the potential of the ground floor, makes it a truly unique property with a very attractive price per square meter. The ground floor offers the flexibility of an open-plan, multi-purpose space, or the possibility of adding a couple of bedrooms, a dressing room, a cinema room, and a landscaped patio with an outdoor kitchen.~~The patios are beautifully arranged, offering both a poolside beach area and a shaded barbecue area. The plot measures 560 square meters, a rarity in Finestrat, especially at this price. The ceiling height, on both the main and ground floors, is 280 cm; show me another house with such spacious rooms! This is crucial and enhances the feeling of spaciousness. Take a look at the floor plans; I'm sure you'll appreciate this villa.
