

villa for sale Finestrat, Marina Baixa

For those who prefer individual housing to apartments, I would like to introduce you to another complex located in a natural oasis in Finestrat and made up exclusively of small villas of various formats with their own plots and pools. The developer has chosen a truly magical place between the mountains and the sea and a true paradise for lovers of tranquility and outdoor sports. Each home coexists with its surroundings and integrates naturally into the privileged environment that surrounds it. The mountain river on one side and the pine forest on the other make the territory isolated. The complex closed to outsiders, will have a single entrance and exit, controlled by CCTV cameras and an entry card system. Local stone, exceptional diffusion of natural light, optimal energy efficiency, and perfect integration of space Interior and exterior are the main characteristics of the resort's architecture, where nature and comfort merge with an innovative design. For your convenience, the developer is going to create a small shopping center next to the complex with a supermarket, gum and a cafe - a restaurant with a rest area and a swimming pool. The developer offers the following types of properties with very interesting prices. In fact, the prices of the villas are even somewhat lower than the prices of the apartments in the nearby new complex, which I told you about here. Villa with 2 bedrooms + 2 bathrooms, 84.28 m2, plot 287.50 m2. The price is 335 thousand.- Chalet with 3 bedrooms + 2 bathrooms, 107.50 m2, plot 325.00 m2. The price is 395 thousand. Chalet with 4 bedrooms + 3 bathrooms, 120.00 m2, plot 400.00 m2. The price is 449 thousand. On plots of 500 m2, there are 2 types of villas on 2 floors: - a villa with 3 bedrooms, 3 bathrooms, 150 m2 of total area and a price of 595 thousand.- a villa with three bedrooms and four bathrooms, a 192-meter piece of land and a price of 795,000. The start-up of the first stage of the complex is scheduled for this year. By the way, a villa with 3 bedrooms will be ready in 2 months, so you can have time to spend this summer in your new home.
