

## villa for sale La Orotava, Zona Norte

This 18th century mansion is located on the quiet Calle Calvario in front of an old hermitage. The old house is part of the heritage of the Villa de La Orotava and needs a major reform. The plot has many possibilities, not only as a garden, but also for a project that, according to the owner, allows the construction of a 5-storey building at the rear of the plot.~There is an access from the main street to the plot.~A jewel in the rough for lovers of the history of the island of Tenerife.
