

villa for sale Lorca, Alto Guadalentín

HOUSE 2 Main Apartment (approx. 175 m2): Leopold II House is the more exclusive and spacious of the two houses, offering ample room for a large family. The curved external staircase leads to the spacious entrance hall, from which most of the ground-floor rooms are accessed. The living room with a fireplace provides plenty of space for dining or relaxing in front of the television. Another living room or dining room with a conservatory is located opposite the fully equipped kitchen. A small hallway leads to two bedrooms with a shared bathroom. There is also a guest toilet on the ground floor. Almost every room has spectacular views of the valley. The highlight of the house is the tower bedroom: in addition to a brick double bed, there is a bathtub set into the floor. There is even enough space for a reading nook, a separate toilet, and built-in wardrobes.~Grandmother's Apartment with Separate Entrance (approx. 99 m2): The ground-floor apartment has its own entrance and can therefore also be rented out. The 99 m2 of living space includes a spacious open-plan kitchen, a bedroom, and a bathroom with a shower. A small cellar offers additional storage space.~The neighboring house is also for sale, and both houses are available as a single package (REF:LORCAVIEWS).
