

villa for sale Marbella, Costa Noroeste

Located in the heart of La Cerquilla, one of the most prestigious residential neighbourhoods in Nueva Andalucía, Marbella, this is an exceptional 2,000 m² plot with a luxury villa project designed by acclaimed architect Diego Tobal. With the possibility of incorporating exclusive interiors by renowned designer Pedro Peña, this architectural proposal presents a unique opportunity to build a contemporary style residence, perfectly integrated into the natural environment and designed to the highest standards of quality and elegance.~~OUTDOOR AREAS~~The project includes a 1,210 m² building that opens onto outdoor spaces designed to make the most of the Mediterranean climate. Spacious terraces connected to the house, a modern private swimming pool, landscaped gardens and outdoor living areas create an ideal environment for relaxation, socialising and entertainment. The orientation and elevated position of the plot allow for open views and guarantee absolute privacy throughout the surroundings.~~INDOOR AREAS~~The planned villa includes seven bedrooms, eight full bathrooms and a guest toilet, distributed in a structure designed to offer spaciousness, functionality and visual connection with the landscape. The design combines clean lines, top quality materials and large glass surfaces that flood each room with natural light. Spaces such as the main living room, signature kitchen, private leisure areas, gym and spa can be customised with Pedro Peña's exclusive stamp, taking the experience of luxury and comfort to another level.
