villa for sale Pilar De La Horadada, Baix Segura

In the attractive setting of Pilar de la Horadada, REMAX Inmomás presents these exclusive villas that redefine residential comfort. With only two units on offer, each villa has been designed with maximum functionality and well-being in mind. Just 1 km from the sea, you will enjoy the marine freshness and coastal charms. Its strategic location 17 km from the airport facilitates international connections, ideal for those seeking a tranquil retreat without sacrificing excellent connectivity.

The villas stand out for their exterior design, which includes a private garden, perfect for outdoor activities. The terrace becomes the ideal place to relax or host gatherings with friends and family. Additionally, each property features a solarium that invites you to enjoy the sunny weather and panoramic views of the surroundings. The garage provides a practical solution for securely parking vehicles.

The interior of the villas is equipped with modern ceramic floors that facilitate daily maintenance. Automatic blinds and integrated appliances offer additional comfort. The air conditioning system, along with the pre-installation for another system, ensures an optimal environment throughout the year. The built-in wardrobes maximize storage space in three well-distributed bedrooms and three full bathrooms, ideal for families who value spaciousness and functionality.

In the common areas, residents enjoy a community garage that complements the private spaces assigned to each villa. There is also a children's area designed specifically to provide safe fun for kids.
