

villa for sale Relleu, Marina Baixa

Beautiful Home in Relleu, Alicante This home is something special. Set in the hills of Relleu, it's got that classic stone-façade and is packed with character, incredible views and a heated pool overlooking the valley. If you love a house that feels warm, inviting, and a little bit unique, you'll love this one. The inside is a mix of traditional and modern designs from beautiful handmade brick floors, exposed wooden beams, timber shutters, and natural stone walls—full of rustic character! The open-plan living and dining area is bright and spacious, with a vintage-style log stove that makes the whole space feel cosy. Big sash windows let in loads of natural light. The kitchen is practical and well-designed, and if you enjoy a good drink, you'll love the private wine cabinet room. It has a glass display for your favourite bottles, plus a vintage carved style table. Also for extra comfort there is a second living room, which can be turned into a fourth bedroom on the ground floor. Upstairs, there are three large bedrooms, each with its own en-suite bathroom. The bathrooms have double sinks, dark tiles, and soft downlighting—a sleek, stylish finish. On the lower terrace separate from the house there's also a massage therapy room, so you've got space to relax.

Outdoor Spaces The house sits on an 7,993 m² plot, surrounded by 50 olive trees, rolling hills, and mountain views. The multiple terraces—some open, some covered—are designed with the same natural stone as the house. The saltwater pool is a real standout. Surrounded by terracotta tiles and a stone border, it has Roman steps leading into the water, and since it's on a high terrace, you get amazing countryside views while you swim or sunbathe. The gardens have been professionally landscaped, with flowers, yuccas, and olive trees adding colour and greenery. A high wall around the pool adds extra privacy, and at night, the whole place lights up beautifully, making it perfect for evening get-togethers.
