

villa for sale Rojales, Baix Segura

pREMAX Inmomás presents an exclusive selection of 8 townhouses located in the picturesque Ciudad Quesada. Perfectly situated just 7 kilometers from the airport, these homes offer unparalleled connectivity for frequent travelers. Designed to provide maximum comfort and style, the properties feature options of 3 bedrooms and between 2 and 3 bathrooms, adapting to various family needs. Living in Ciudad Quesada means enjoying a serene environment on the Costa Blanca./ppThe outdoor spaces of these townhouses are designed to make the most of the Mediterranean climate. Each home has a private garden, ideal for creating your own oasis or enjoying the fresh air. Additionally, residents can delight in their own private pool, perfect for hot summer days. The terraces provide additional space for relaxing or hosting gatherings outdoors. Those seeking panoramic views will find the solarium the perfect place to contemplate the surroundings./ppThe interior of these townhouses is meticulously designed with modern and functional features. The elegant ceramic floors not only add sophistication but also ease of maintenance. The kitchens come fully equipped with modern appliances, ensuring comfort from day one. The built-in wardrobes in the bedrooms optimize the available space, ensuring a tidy and uncluttered environment. Some homes include a jacuzzi, adding an exclusive touch of luxury and well-being to the home. The private garage provides additional security for parking your vehicles./p
