

villa for sale Rojales, Baix Segura

Let me introduce you to this exclusive brandnew villa in the soughtafter area of Doña Pepa, Ciudad Quesada. With wonderful natural light, a private pool and spaces made to be enjoyed ~~There is something very special about this home: it combines the charm of a house with a more traditional character and modern interiors that feel comfortable, fresh and full of life.~~It offers 3 bedrooms, 2 bathrooms, and a living area where the doubleheight ceiling in the dining space makes a real difference, bringing in extra light, a lovely sense of space and that airy feeling that makes a home feel easy to live in.~What I especially like — and what is not easy to find — is that everything is laid out on one single floor.~~Outside, this is the kind of home that really invites you to enjoy everyday life: a garden with a private pool, and a solarium with pergola and tower feature, perfect for making the most of the sun, the open air and those quiet hours that somehow feel even better here.~~On top of that, it is set in one of the most convenient areas of Ciudad Quesada, with all services close by, golf courses nearby, and just a few minutes from the wonderful beaches of Guardamar.
