

villa for sale Salinas, Alt Vinalopó

We are very proud to offer this lovely 4 bedroom house, with two bathrooms, plus an outside kitchen with WC and pool area. This modern villa overlooks the village of Salinas, with spectacular views across the valley, and a lovely covered terrace around two sides of the house, overlooking the summer kitchen and pool. There is also an open style 2 car garage, and electric entry gate system. As you enter the house from the terrace, the house opens into a large living space, with double height ceiling and stairs to the master bedroom with ensuite bathroom and walk in wardrobe. From the ground floor, you are met with the open plan kitchen and dining area, with access to the outside. This leads to a corridor which leads back to the living room, via the 3 bedrooms, family bathroom and wardrobes. The whole house has a modern, open feel to it, and the central air keeps the house cool in the summer, and warm in the winter, although there is also a nice wood fire in the living area, for those cozy nights. With 18,000m² of land, of which 5,000m² is fenced in to create a garden area, this is a fantastic opportunity for a modern home in a lovely countryside setting.
