

villa for sale San Miguel De Salinas, Baix Segura

In the picturesque municipality of San Miguel de Salinas, REMAX Inmomas presents an attractive residential complex that caters to various preferences and lifestyles. With 111 units available, future owners can choose from apartments, ground floor homes, and penthouses, each designed to ensure comfort and practicality. The location is unbeatable, as it is only 50 km from the airport, thus facilitating a quick connection to other destinations. This setting is perfect for those seeking the serenity of a charming environment without sacrificing modern amenities. Make the most of the Mediterranean climate in this residential complex where each home features its own private terrace, ideal for relaxing and taking in the beautiful surrounding landscape. Residents will enjoy spacious green areas designed to offer tranquility and natural beauty. Some units include a private solarium where you can make the most of sunny days. Additionally, the community has a communal pool perfect for cooling off in the summer and a children's play area that provides safe fun for kids. The homes have been conceived with maximum comfort and functionality in mind. Equipped with air conditioning, they ensure a cozy environment year-round. Electric blinds and included appliances make daily life easier, while built-in wardrobes provide ample storage space. With two bedrooms and two bathrooms available per unit, they are ideal for both families and couples. There is also the option to purchase the homes fully furnished, allowing new owners to settle in without additional complications. The residential complex offers common areas designed to enrich the daily experience of its residents. The green areas invite you to stroll or relax outdoors in a serene and natural environment. The communal pool serves as a central point to enjoy the Mediterranean sun while socializing with other neighbors, additionally, the children's playground provides a safe and ideal place for little ones to play happily. These facilities are designed not only to foster community but also to provide daily comfort.
