

villa for sale San Pedro Del Pinatar, Mar Menor

Discover an architectural gem in San Pedro del Pinatar that transforms your concept of home. This unique property offers maximum privacy and energy efficiency, combining two independent worlds under one roof. The main house is a sophisticated retreat filled with natural light and countryside views, while the self-contained annex provides ideal independence for guests or family, and can even serve as an immediate source of rental income. Each unit boasts private patios where you can enjoy yourself without interruption or commitment. Furthermore, thanks to its solar panels, you'll integrate sustainability and cost savings into your daily life.~~Strategically located near the unique natural environment of the salt flats and renowned therapeutic mud baths, this area not only guarantees environmental quality but also easy access to Murcia, Cartagena, and Alicante via highways. Investing here means betting on an area of constant appreciation—a perfect place for both permanent residence and future investment.~~Total control over your living spaces: you decide who lives with you and how you manage your energy costs. Don't miss this opportunity! Come and discover this private oasis where every corner has been designed to offer you tranquility.
