

## villa for sale Torre De La Horadada, Baix Segura

Exquisite location, door with direct access to the beach, views over the sea at 180°. The promenades start in a few meters to the north and south on "Higuericas" beach, so you will only have the sand and the sea in front of the house.

It has 5 large bedrooms, one of them on the ground floor. All of them bright and cozy. 2 complete bathrooms. Two terraces with east and west orientation.

Watching the sun rise on the horizon of the Mediterranean from bed, having breakfast facing the sea on your terrace and enjoying a bath just by going down a few steps is a feeling that cannot be described in words.
