

villa for sale Villaviciosa De Odón, Sur

THE AVENUE SELECT REAL ESTATE presents this fantastic property in El Bosque.~~In the heart of the prestigious El Bosque residential area in Villaviciosa de Odón, stands this impressive detached property, distinguished not only by its solid presence but also by an architectural versatility rarely found in the current market of the northwest region. With a constructed area of 467 m2 situated on a generous plot of 1,560 m2, this residence represents the perfect balance between the spaciousness of a large home and absolute privacy, thanks to a mature garden that acts as a natural refuge from the outside world.~~The true uniqueness of this property lies in its clever current configuration: two symmetrical and independent living spaces under one roof. This layout offers an extraordinary range of possibilities, making it the ideal solution for multigenerational families who wish to live together while maintaining their complete autonomy, families with older children seeking independence, or even for the strategic investor who recognizes the potential of generating returns on two assets in a single property. However, the structure allows for a simple transition to a single, majestic detached house, adapting naturally to the needs of its new owners.~~The interior is harmoniously distributed, housing a total of eight bedrooms and rooms bathed in natural light, along with two spacious living rooms and two fully equipped kitchens that enjoy unobstructed and privileged views of the green surroundings of the development. Every corner of the house has been designed to maximize comfort and functionality, taking full advantage of the plot's prime orientation.~~Living in El Bosque means accessing a firstclass lifestyle in Madrid, with the tranquility of a natural environment and immediate proximity to excellent services.
